The NWTF Women in the Outdoors program is dedicated to helping women ages 14 and over achieve confidence and competence in outdoor skills through a variety of exciting hands-on workshops taught in an informative, relevant and reassuring setting.

From learning firearm and archery skills, to participating in fun outdoor activities and making handmade crafts; this event is a great opportunity to try something new with your family members and friends.

So, gather a few girlfriends, your mom and daughter(s) and check "me time" off your list. You deserve a day in the outdoors!

GROUP A

FLY FISHING - Learn basic fly fishing techniques and gain the fundamental knowledge you will need to get started in the most refined form of fishing. The course also offers information which will help you select a rod and reel, line weight, baits, and lures.

BASICS OF PANFISH, BASS FISHING AND CASTING - See what gear you need for a day at your local watering hole, practice knots and casting.

CANOEING/KAYAKING - After you learn about types and styles of available canoes/kayaks, you will have the opportunity to practice paddle stroke techniques and safety procedures on the water.

ADVANCED TURKEY HUNTING STRATEGIES - This class is for the turkey hunting enthusiast. We will be discussing and practicing different techniques to make you a more successful turkey hunter. Topics will include: advanced scouting techniques; safety tips on public lands; advanced strategies for hunting early, middle and late spring seasons.

CREATING A MONARCH WAYSTATION - With increasing threats and habitat loss monarch butterflies need our help more than ever. Find out what a Monarch Waystation is and how you can help these beautiful butterflies.

MEET THE POLLINATORS - In this presentation we will discuss who the pollinators are. Learn how to choose pollinator-preferred plants, provide host plants, water sources, nesting sites and shelter. Plant it and they will come!

INTRO TO ESSENTIAL OILS - Benefits, uses, types of essential oils. It will provide a hands on opportunity for each participant to make a customized roller bottle to take home with them.

INTRO TO CBD OIL - benefits, uses, types of CBD oils. It will give each participant the opportunity to sample a variety of CBD oils and products.

LEARNING ABOUT LYME DISEASE - Lyme Disease has become very prevalent in PA. Learn about Prevention, Symptoms and latest resources to protect yourself.

INTRODUCTION TO BASKET WEAVING - CLASS I: Make a rattan basket on a wooden base using continuous weaving. No experience needed. All materials and tools will be provided; you choose the colors and decorations. Finished basket will be perfect as a desk or bureau accessory.

INTERMEDIATE BASKET WEAVING - CLASS II: Take the next step in basket weaving and make a rattan rectangular basket with a standard woven base and sides, and folded rim. Choice of two sizes and color accents. All materials and tools will be provided. Take home a great looking treasure basket perfect for teabags, crackers, and trinkets.

GROUP B

MUZZLELOADING - This class will offer hands-on activities, including care, loading and firing of black powder guns. Instructors will demonstrate and assist participants with the firing of flintlock, percussion and in-line muzzleloaders.

RIFLE MARKSMANSHIP - Come join us for fun and excitement on the firing range. Learn the essentials of marksmanship skills with an opportunity to shoot at targets with .22 caliber rim fire rifles.

SHOTGUNNING/TRAPSHOOTING - You will be familiarized with different types of shotguns, ammunition, proper gun fit, and gun cleaning. Participants will have the opportunity to shoot clay targets on the range.

HANDGUNS - A qualified NRA instructor will provide a broad spectrum of information about the safe operation and fundamentals of shooting handguns. At the end of this class you will be capable of safely and confidently shooting a handgun, and will have the opportunity to practice with a .22 caliber handgun.

ARCHERY - Experience the thrill of hitting the mark using a bow and arrow. Whether you're interested in the sport for hunting, competition target shooting, or backyard recreation, you'll learn about equipment selection, and get assisted hands-on experience at the outdoor range.

CROSSBOW BASICS - If you've never fired a crossbow, you'll find that it's easy and a lot of fun. In this hands-on introductory course you will learn the basic functions and dynamics of the crossbow. Our instructors will cover modern crossbows and accessories, shooting and handling, responsibility, laws and safety.

FIRST AID FOR DOGS - Overview of emergency care covering more than 30 topics, with an emphasis on Sporting Dogs. Informal Lecture, not hands-on. First Aid Kits will be available for Sale.

7 ARROWS COURSE - Introduction to the seven basic principles of wilderness survival; Shelter, Water, Fire, Food, Tracking, Awareness and Movement. Hands-on skills learning, Interactive Workshop.

THE HARVEST WALK - Hone Your Hunting Skills Centered around movement and awareness skills. Mother Earth knows where all of her resources are…it is up to us to learn how to slow ourselves down enough in order for her to reveal them to us.

CAST IRON COOKING - Cast Iron heats evenly for perfectly cooked meals. Use on a grate, over an open fire or on the stove. Durable to last a lifetime.

YOU CAN COMPOST! - How to turn your green 'Waste' into the ideal soil for gardens, lawns, and landscapes. Common sense and good gardening meet in the compost pile!

For safety reasons class sizes are limited, and therefore will be assigned on a first-come-first-served basis. Please mail your registration in early.
